2. I called Mrs. Garziglia, code 103 extension 3900, who
checked the matter and told me no comments have been received as
yet from HEW. She suggested that possibly Mr. Victor Zafra, the
case officer, might have additional information as to when the
comments are expected. I thanked her for her assistance.

3. I reported the above to [] who said he wanted
to think the matter over and possibly talk further to []
about it.
